Anjana Kumari

I am a highly motivated individual with a strong foundation in both communication and technical skills, seeking an entry-level. My technical expertise spans HTML5, CSS3, JavaScript, Bootstrap, react, Testing and Networking. I also have a solid understanding of database management and SQL queries. My ability to effectively interact with diverse groups of people is enhanced by my leadership abilities and excellent communication skills. I am excited to leverage my skill set to contribute to a dynamic company and embark on a fulfilling professional journey.
